

Get ready for the Coconut Grove Peacock Tour 2010!

Fashioned after the Cows in Chicago, the Cincinnati Pig Gig and the Flamingos of Miami Beach and Coral Gable. Coconut Grove will host a herd of beautiful peafowl this Spring 2010. The Coconut Grove Peacock Tour was created by long-time resident Heather Bettner to develop and bring a unique interactive public art exhibition to Coconut Grove..

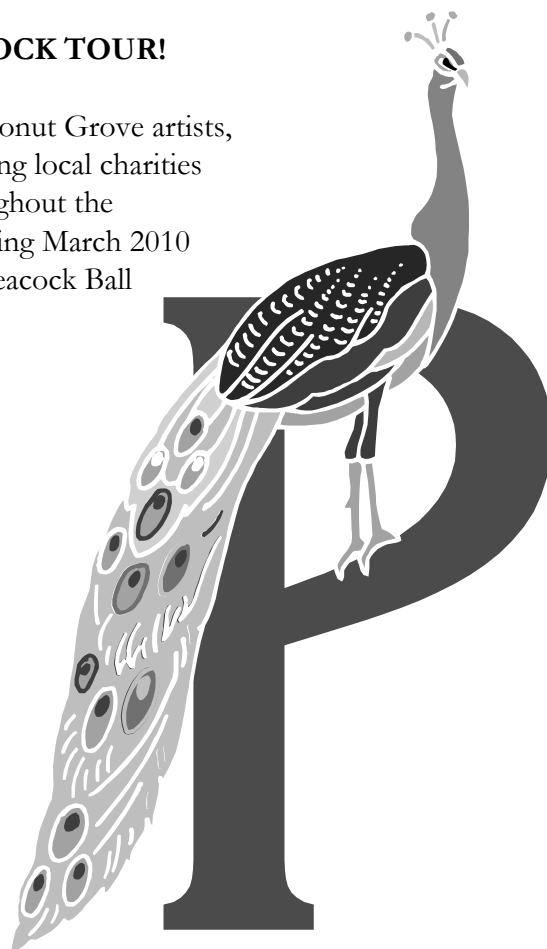

COCONUT GROVE IS HOME to THE PEACOCK TOUR!

Larger than life fiberglass peacocks decorated by Coconut Grove artists, Sponsored by businesses and individuals and benefiting local charities and non-profit organizations will be on display throughout the Coconut Grove village and main thoroughfares starting March 2010 for six months, with a charity auction and black tie Peacock Ball held in September 2010.

CowParade Chicago was widely touted as “the most Successful public art program in the city’s history” by Mayor Daley.

It was viewed by 10 million people and had an over all economic impact of \$200 million for Chicago. The artist and art display was featured on Good Morning America, CBS This morning, The Today Show and the Oprah Winfrey Show and in publications such as People Magazine, US News, USA Today, The Wall Street Journal and the New York Times.

New York City experienced similar success as 44 million people viewed 500 cows and nearly 44 million was raised for charities. Now thousands of visitors, residents, businesses and art fans can enjoy a public art event in our own village of Coconut Grove.

WHO ARE THE ARTISTS

The Coconut Grove Peacock Tour is requesting designs from local artists. Artists submissions are reviewed to ensure they meet the basic guideline of the Coconut Grove Peacock Tour. Upon approval, designs are then offered to our partners and adoptive sponsors for their review. Partners and adoptive sponsors will then have an opportunity to collaborate with their artist of choice to transform their beloved peafowl into an incredible public work of art.

WHO ARE OUR PARTNERS AND ADOPTIVE SPONSORS

Each peacock is made possible thanks to our partners and adoptive sponsors. They may have their peacock designed by their own artist or may select from designs submitted and approved by the Coconut Grove Peacock Tour. Partners and adoptive sponsors include corporations, community groups, schools, non-profits organizations and individual merchants and private citizens.

OUR PRETTY PEACOCKS

Our pretty peacocks are 6' feet high. The hollow unpainted fiberglass peacock weighs about 100 pounds and sits on a 350 pound concrete base...so they won't go wandering off!
